

Matai Nurseries July Catalogue 2024

With all of this lovely rain, and some folks off in sunny Australia, I have not been out and about in the Nursery to see what stock is ready yet, so feel free to ask us to check.

This is a pretty good representation
of the stocks we currently have.

If there is something you are looking for that isn't listed please just ask.

We are happy to assist you with your plant requirements
for right now or for future plantings.

So send us an email at

[**matainurseries2019@outlook.com**](mailto:matainurseries2019@outlook.com)

and we'll see what we can do for you.

As our prices increased on the 1st of April we have included these.

Remember that we can ship just about anywhere in the country.
